# CleanSky Energy

Electric power suppliers and distribution companies are required to provide customers with a disclosure label. The label enables consumers to look at the energy sources, air emissions, and information about the supplier's company in order to make a more informed choice of a power supplier.

| **Generation Price** | **Commercial Customers** | | | | |
|---|---|---|---|---|---|
| All kWhs (including usage levels of 1,000, 10,000, 20,000 and 40,000 kWh per month). | Usage Level | 1,000 | 10,000 kWh | 20,000 kWh | 40,000 kWh |
| | Average Price per kWh | Please refer to your Sales Confirmation Agreement for contract prices. Your average electricity price may vary by time of use. See your most recent invoice for your monthly use. | | | |
